Technical drawing of a cable assembly. The drawing shows a cable with a braided shield and an inner conductor. The cable is connected to a series of connectors and components. Labels with arrows point to various parts:

- Top left: A series of rectangular components (possibly connectors or terminals) labeled with a series of numbers (1-10).
- Top center: A connector labeled with a series of numbers (1-10).
- Top right: A connector labeled with a series of numbers (1-10).
- Bottom left: A label with a series of numbers (1-10).
- Bottom center: A label with a series of numbers (1-10).
- Bottom right: A label with a series of numbers (1-10).
